

	UNIT 1	UNIT 2	UNIT 3	UNIT 4	UNIT 5	UNIT 6
Unit Title	Mathematical Mindsets	Addition and Subtraction within 20	Place Value	Geometry and Time	Addition and Subtraction within 100	Data and Measurement
Core Content	Develop identities as mathematicians and mathematical mindsets	Represent and solve addition and subtraction word problems Properties of and relationship between addition and subtraction Addition and subtraction equations Addition with three addends	Count to 120 Understand place value (tens and ones) Use place value understanding to add and subtract	Identify, describe, and compose shapes Partition circles and squares Tell time to the hour and half hour	Represent and solve addition and subtraction word problems Use place value understanding to add and subtract	Order and compare objects by length Measure objects by iterating units Organize, represent, and interpret data
Context and Project	Developing Our Learning Community	Games from Around the World*	Creating a School Store	Museum of Us*	Taking Care of Our Environment*	A Class Garden Showcase*

GRADE: FIRST

Mathematics Scope and Sequence
